About

Kurt Evans is Chairman of the Board and Chief Executive Officer of Digital Engineering. Since joining the company in 1993, Mr. Evans has had one primary goal: building better communities along the Gulf Coast. As CEO, he spearheads the development of DE's corporate strategy, market expansion, and client services. His specializations include transportation engineering, civil engineering, and disaster recovery. Prior to his tenure at DE, Mr. Evans served in various roles, ranging from President & Chief Transportation Engineer to Operations Manager, for civil and transportation engineering firms in Louisiana, Texas, and Florida.
